The Archiproducts Design Awards connect every year the finest creative minds in Architecture and Design, and honor high quality design, innovation, and the right balance between functionality, technology, and beauty.

A dedicated jury of specialists in eco-design and sustainability within the field of architecture and design have awarded your product with the “2022 Sustainability Award”, due to the minimum environmental impact throughout the product’s entire life cycle.

Keep on creating, sharing and inspiring people worldwide.
That is what design stands for.
